## **GENERAL INFORMATION ON CONDOMINIUMS**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of Hawaii's "*Condominium Property Act*" (Chapter 514A, Hawaii Revised Statutes) must be followed.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

Common elements are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called limited common elements and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenant) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements. The leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

### **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. Some of these actions may significantly impact the quality of life for all apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is vitally important to all apartment owners that the transition from developer to owner control be accomplished in an orderly manner and in a spirit of cooperation.

## II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners.

- A. Declaration of Condominium Property Regime contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

☐ Proposed  
☒ Recorded - Bureau of Conveyances - Document No. 90-117354  
☐ Filed - Land Court - Document Number \_\_\_\_\_

Amendment date(s) and recording/filing information:

- B. Condominium Map (File Plan) shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

☐ Proposed  
☒ Recorded - Bureau of Conveyance Condo Map No. 1358  
☐ Filed - Land Court Condo Map No. \_\_\_\_\_

Amendment date(s) and recording/filing information:

- C. Bylaws of the Association of Apartment Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the way in which meetings will be conducted, and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

☐ Proposed  
☒ Recorded - Bureau of Conveyances - Document No. 90-117355  
☐ Filed - Land Court - Document Number \_\_\_\_\_

Amendment date(s) and recording/filing information:

The Condominium Statute (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- D. **House Rules.** The Board of Directors may adopt house rules to govern the use and operation of the common elements and individual apartments. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais, keeping of pets, and occupancy limits. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial house rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed                      ☐ Adopted

☒ Developer does not plan to adopt house rules.

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%	<u>75%</u>
Bylaws	65%	<u>65%</u>
House Rules	---	<u>                    </u>

The percentages for individual condominium projects may be more than the minimum set by law.

9. Present Condition of Improvements

(For conversions of residential apartments in existence for at least five years):

a. Condition and Expected Useful Life of Structural Components, Mechanical, and Electrical Installations

Based on a report prepared by Lawrence S. Higgins, Architect, the present condition of all structural components and mechanical and electrical installation material to the use and enjoyment of the Project appears to be good.

b. Compliance With Building Code and Municipal Regulations; Cost to Cure Violations

There are no outstanding notices of uncured violation of Building Code or other municipal regulations. See letter from City Building Department dated August 31, 1990, which is attached as Exhibit "I".

10. Conformance to Present Zoning Code

a. ☒ No variances to zoning code have been granted.

☐ Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>x</u>	<u></u>	<u></u>
Structures	<u>x</u>	<u>x *</u>	<u></u>
Lot	<u>x</u>	<u></u>	<u></u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

\* Carport No. 1 belonging to Dwelling 3809 is a "non-conforming" structure (see Exhibit I attached hereto).

\* \* Carport No. 2 (also see attached Exhibit I and Page 18 for further disclosure).

**D. Common Elements, Limited Common Elements, Common Interest:**

1. Common Elements: Common Elements are those parts of the condominium project intended to be used by all apartment owners. They are owned jointly by all apartment owners.

☒ Exhibit C describes the common elements.

☐ As follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which may use them are:

☒ described in Exhibit D

☐ as follows:

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is often used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium. It may also be used for other purposes, including voting on matters requiring action by apartment owners.

☐ Exhibit \_\_\_\_\_ describes the common interests for each apartment.

☒ As follows: Each unit shall have appurtenant thereto an undivided 50% interest in all common elements of the Project (herein called the "Common Interest"), and the same proportionate share in all common profits and expenses of the Project and for all other purposes, including voting on all matters requiring action by the Dwelling Lot owners.

E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property.

Exhibit E describes the encumbrances against the title contained in the title report dated August 8, 1990 and issued by Founders Title & Escrow.

**Blanket Liens:**

A blanket lien is a mortgage on a condominium project that secures a construction loan. It is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[ ] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. Buyer's interest will be affected only if the developer defaults prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest If Developer Defaults</u>
Mortgages	Buyer's interest may be terminated by Mortgagee but Buyer shall be entitled to return of his deposit.

F. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a managing agent to assist the Association in managing the condominium project.

**Initial Managing Agent:** When the developer or the developer's affiliate is the initial managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial managing agent for this condominium is:

[ ] not affiliated with the Developer.

[X] the Developer or the Developer's affiliate.

[ ] self-managed by the Association of Apartment Owners.

[ ] other \_\_\_\_\_

**G. Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, your apartment may be liened and sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided to each apartment.

Exhibit \_\_\_\_\_ contains a schedule of maintenance fees and maintenance fee disbursements.

See attached Disclosure Abstract (Exhibit H)

**H. Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

☐ Electricity

☐ Television Cable

☐ Gas

☐ Water & Sewer

☐ Other \_\_\_\_\_

☐ Not applicable

See attached Disclosure Abstract (Exhibit H)

**I. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

**1. Building and Other Improvements:**

Developer is making no warranties on the construction materials or workmanship of Unit 3809 and Unit 3811. Developer is selling the improvements in "AS IS" condition. The appliances and electrical and plumbing fixtures will be in normal working condition consistent with their age.

**2. Appliances:**

Purchaser shall have the direct benefit of any manufacturer's or dealer warranties covering the furnishings and appliances in the Apartments.

J. **Status of Construction and Estimated Completion Date:**

Unit 3809 was originally built in 1939 and Unit 3811 was originally built in 1950. Substantial renovations to each of the Units in accordance with the Condominium Map are expected to be completed by November 1, 1990.

K. **Project Phases:**

The developer ☐ has ☒ has not reserved the right to add to, merge, or phase this condominium.

☒ Specimen Sales Contract

Exhibit F contains a summary of the pertinent provisions of the sales contract.

☒ Escrow Agreement dated August 15, 1990

Exhibit G contains a summary of the pertinent provisions of the escrow contract.

☐ Other \_\_\_\_\_

#### IV. ADDITIONAL INFORMATION NOT COVERED ABOVE

##### SPECIAL NOTATION

Dwelling 3809 and Dwelling 3811: The Specimen Sales Contract provided that the Developer states in part that the Apartments are being sold in "as is" condition. This means that the Seller shall not correct any defects in the Apartments. The existence of any defect shall not excuse the Purchaser's obligation to perform all of his obligations under his contract.

The Specimen Sales Contract further states that the Purchaser will not have the right to file any lawsuit or damages against the Seller for any defects in the Apartments.

##### CARPORT NO. 2 LOCATED ON DWELLING LOT 3809

The Building Department of the City and County of Honolulu has indicated (see Exhibit "I") that a Conditional Use Permit is required in order that the Parking Stalls 3811 which are located on Dwelling Lot 3908 can be legally used by Dwelling 3811. Developer is in the process of obtaining such conditional use permit, and the conveyance of the unit will include the conditional use permit in favor of Dwelling Lot 3811.

**Final Report, Supplementary Report to a Final Report:** Sales made by the Developer are binding if:

1. The Developer delivers to the buyer a copy of:
  - a. Either the Final Public Report **OR** the Supplementary Public Report which has superseded the Final Public Report;  
**AND**

Developer's Reserved Rights

The Developer has reserved the following rights to change the Declaration, Condominium Map, or By-Laws:

1. Paragraph 20 of the Declaration provides:

Except as otherwise provided in the Declaration, the Declaration may be amended by vote of seventy-five percent (75%) of the Dwelling Owners, effective only upon the recording of an instrument setting forth such amendment and vote duly executed by such owners or by the proper officers of the Association. Notwithstanding the foregoing, however, if (1) at any time prior to the first filing in the Bureau of Conveyances of the State of Hawaii of a conveyance of a Dwelling, the Developer may amend the Declaration (including all exhibits) and the By-Laws in any manner, without the consent of any Dwelling purchaser; and (2) at any time thereafter, the Developer may amend the Declaration (and when applicable, the Condominium Map) to file the "As Built" verified statement required by Section 514A-12 of the Act (i) so long as such statement is merely a verified statement of a registered architect or professional engineer certifying that the final plan thereto filed fully and accurately depicts layout, location, apartment numbers, and the dimensions of an improvement or change in a Dwelling as built; or (ii) so long as the plans filed therewith involve only immaterial changes to the layout, location, or dimensions of the apartments as built or any change in any apartment number.

EXHIBIT "B"

PERMITTED ALTERATIONS TO APARTMENTS. Paragraph 19.1 of the Declaration states:

Each Dwelling Owner, with the consent of any holder of any mortgage affecting the Owner's Dwelling, shall have the right at his sole option at any time and from time to time without the consent of anyone other than the holders of all liens affecting his Dwelling, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Dwelling or portions thereof or to make improvements upon the Dwelling Lot appurtenant to the Dwelling (collectively, the foregoing are referred to "changes") subject to the following conditions:

(i) All building plans for any such changes shall be prepared by a licensed architect or professional engineer and conform with County building and zoning laws and other applicable County ordinances.

(ii) No change to a Dwelling will be made outside the Dwelling Lot to which the Dwelling is appurtenant; no change will reduce the distance between improvements placed on each of the Dwelling Lots to less than what the distance had been as originally shown on the Condominium Map (unless both owners consent), and no change to a Dwelling will be made if the effect of such change would be to exceed the Dwelling's proportionate share of the allowable floor area or Lot area coverage for the Land, as defined by the zoning and building codes applicable to the Land in effect when the change is to be made. The proportionate share for each Dwelling shall be the same as its interest in the common interest.

(iii) All such changes shall be at the expense of the Dwelling owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere with the other Dwelling owner's use of his Dwelling Lot.

(iv) During the entire course of such construction, the Dwelling owner making such change will cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured and, upon the request of the Association, evidence of such insurance shall be deposited with the Association or its Managing Agent, if any;

(v) The owner of the changed Dwelling shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Dwelling affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the project;

(vi) The owner of any changed Dwelling shall have the right and duty without the consent or joinder of any other person to amend and shall be required to amend this Declaration and the Condominium Map to accomplish any such changes. If required by the Act, then promptly upon completion of such changes, the owner of the changed Dwelling shall duly record any amendment to this Declaration with the Bureau of Conveyances of the State of Hawaii, together with a complete set of the floor plans of the Project as so altered, certified as built by a registered architect or professional engineer. All existing Dwelling owners and all future Dwelling Owners and their mortgagees, by accepting an interest in a Dwelling, shall be deemed to have given each Dwelling owner a Power of Attorney to execute an amendment to the Declaration solely for the purpose of describing the changes to his respective Dwelling on the Declaration so that each Dwelling Owner shall hereafter have a Power of Attorney from all the other Dwelling owners to execute such amendment to the Declaration. This Power of Attorney shall be deemed coupled with each Owner's interest in his Dwelling (including his common interest) and shall be irrevocable.

(vii) Each and every conveyance, lease and mortgage or other lien made or created on any Dwelling and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Lot shall reserve to all Dwelling Owners the rights set forth in this paragraph.

-END OF EXHIBIT "B"-

EXHIBIT "C"

1 Certain parts of the common elements, herein called the "Limited Common Elements", are hereby designated and set aside for the exclusive use of each Dwelling, and each Dwelling shall have appurtenant thereto exclusive easements for the use of such limited common elements. Unless otherwise specified, all costs of every kind pertaining to each limited common element, including, but not limited to, costs of landscaping, maintenance, repair, replacement and improvement, shall be borne immediately by the Dwelling to which it is appurtenant. The limited common elements so set aside and reserved are as follows:

Dear Mr. Grad:

Subject: Condominium Conversion Project  
3809 and 3811 Sierra Drive  
Tax Map Key Nos.: 3-3-16: 44 and  
3-3-16: 89

This is in reply to your letter dated July 2, 1990 requesting confirmation that the two-story single-family dwelling located at 3809 Sierra Drive (Tax Map Key: 3-3-15: 44) and the one-story single-family dwelling located at 3811 Sierra Drive (Tax Map Key: 3-3-16: 89) met all code requirements at the time of construction.

Investigation revealed that the one-story single-family dwelling located at 3811 Sierra Drive met code requirements when it was constructed in 1942. However, a conditional use permit for joint development is required for usage of the two-car carport located on the adjacent parcel (Tax Map Key: 3-3-16: 44).

Investigation also revealed that the two-story single-family dwelling located at 3809 Sierra Drive has the attached carport built adjacent to the property line of Tax Map Key: 3-3-16:45 and is therefore considered a nonconforming structure.

For your information, if a nonconforming structure is destroyed by any means to an extent of more than 50 percent of its replacement cost at the time of destruction, it shall not be reconstructed except in conformity with the provisions of Section 3.120(B) of the Land Use Ordinance (LUO).
